Reasons You'll Love Us!

Cosmetic Dentistry – If you're looking for a smile-makeover, Dr. Edward Warr is highly skilled and trained in the latest dental procedures to give you the smile of your dreams! We offer porcelain veneers that will improve your smile and boost your confidence

Invisalign – Clear Aligner Orthodontics – Dr. Burneson can evaluate your smile for orthodontic treatment using Invisalign clear aligners. Whether you've had braces before, and your teeth have shifted, or you've always wanted to have a straighter smile, he can determine the best course that promotes stable, cleansable teeth, with high esthetic results.

Dental Implants – Implants are an excellent solution for replacing missing teeth. Dental implants work and feel like your real teeth and look perfectly natural.

Teeth Whitening – We can provide you with whitening trays, custom fit to your teeth, so you can whiten your teeth in the comfort of your own home.

Periodontics – Dr. Warr will identify your needs during your examination and recommend the best treatment and solutions for your long term gum health.

Family Dentistry – Our goal is to provide exceptional dental care for your whole family. Patients of all ages are welcome as Dr. Burneson has had extensive training with children as well as adults. We emphasize prevention, in order to avoid expensive dental procedures in the future.

Dr. James Burneson, DDS

Dr. James Burneson graduated from the University of Missouri – Kansas City, School of Dentistry where he focused on cosmetic and general dentistry. He is currently a member of the American Dental Association, Oregon Dental Association, and the Southern Oregon Dental Society. He is also a member of the Academy of General Dentistry and the Interna-

tional Congress of Oral Implantologists working towards Fellowship status in both of those organizations. He has completed a mini-residency in TMD and Orofacial Pain at the UCLA School of Dentistry and is a provider of Invisalign clear aligner orthodontics. Dr. Burneson and the team at Today's Dentistry look forward to serving you and your family.

Plan Details

What Patients are Saying

"When you come here, you are treated like family. I love that they can give you estimates about your treatment costs if you like and they are always, always, always friendly. LOVE, IT, would never change by choice. They would have to kick me out."
- Jennifer

"Got to see Dr. "B". Great visit, took time with my questions and provided good options to consider."
- Robert

"Met Dr. Burneson for the first time and was impressed by his warmth and his listening skills."
- Patti

"First dentist I have been to that seems to actually care about how I am feeling. They also do a great job answering any questions and showing you things you may or may not have experienced Dr. Burneson and the staff are the best I've experienced in my 24 years of life. TODAYS DENTISTRY, THANK YOU, FROM MIKE"
- Mike

LIMITATIONS

- The plan can NOT be used in conjunction with traditional insurance.
- The plan is active from the date of purchase by the primary member for one year.
- A Family plan involves (up to) 2 parents and children through the age of 20 (or 26 if they are college students). It does not apply to adults who are still living with their parents.
- On a Family plan the expiration date is the date the first member signed up for the current membership, regardless of when additional members are added.
- It is ultimately the member's responsibility to get their appointments scheduled in a timely manner.
- The membership plan discounts do NOT apply to any other office.
